

Active supervision in 6 steps

1 Set up the environment

An icon showing a gear at the top, connected by lines to three stylized human figures (a baby, a child, and an adult) below it, representing environmental setup.

2 Position educators

An icon showing two stylized human figures, one male and one female, representing educators.

3 Scan and count

An icon showing an eye with an exclamation mark inside, positioned above four stylized human figures (a baby, a child, a girl, and a boy), representing scanning and counting.

4 Listen

An icon showing a stylized ear with three curved lines representing sound waves, representing listening.

5 Anticipate behaviour

An icon showing a warning triangle with an exclamation mark inside, representing anticipating behaviour.

6 Engage and redirect

An icon showing two stylized faces, one smiling and one frowning, with curved arrows indicating a transition or redirection between them.
